Dear Mauro

Thank you so much for the kind donation of £151 raised by you all at the "Creating Cambridge Big Summer BBQ". My colleague Karen has passed me your information as I have taken up the role of liaising with any local businesses who are considering fundraising on our behalf.

Your support and contributions are greatly appreciated, and will enable us to continue vital work with disadvantaged children, young people and families in Cambridge.

We are always delighted and grateful when our local business community shows an interest in the work of Romsey Mill and I would be delighted to offer any help or support for you to host your winter event. The offer to visit us is ofcourse still available. Please email or give me a call if you need any further information.

Thank you once again for your support.

Kind regards

Damian Mitchell
